

DECLARATION of INVENTORSHIP¹

We, **Earl Jenevein**, a citizen of the United States of America, having a residence and post office address at Post Office Box 1000, Robert, Louisiana, 70455, **Sharon Vercellotti** and **John Vercellotti**, citizens of the United States of America, having a residence and post office address at 423 North Theard Street, Covington, Louisiana, 70433, hereby declare that this Declaration is being submitted with our nonprovisional patent application on "A Cleaning Composition and Method of Making Thereof".

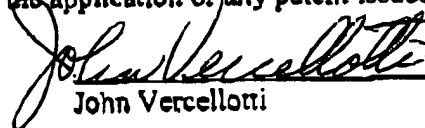

We believe that we are the **original, first and joint inventors** of the subject matter which is claimed and for which a patent is sought on the invention entitled:

"A CLEANING COMPOSITION AND A METHOD OF MAKING THEREOF"

We hereby state that we have reviewed and understand the contents of the patent application attached hereto. We acknowledge the duty to disclose to the Patent Office all information which is material to the examination of the application in accordance with 37CFR 1.56(a) and to deal in candor and good faith with the Patent Office.

We do hereby claim the benefits of a prior United States Patent application, 10/610,032, filed on June 30, 2003 and entitled "A Cleaning Composition for Neutralizing Biological and Chemical Weapons Removal Agents", which is a continuation-in-part of co-pending application Serial No. 10/351,880 filed on January 27, 2003 entitled "A Cleaning Composition," which is a continuation-in-part of application Serial No. 10/208,232 filed on July 30, 2002 entitled "A Cleaning Composition," now patent No. 6,511,950, the full disclosures of which are incorporated by reference herein

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
